

# Playing golf at Trentham

Members can use the course at any time, except when it is closed for club competitions and tournaments. You can invite guests onto the course; however, they **must pay the usual green fees** and it is your responsibility to ensure this is done. You can also enter official Trentham Golf Club competitions for which you are eligible (a GolfLink handicap is required and competition fees apply).

## OBTAINING A HANDICAP

You will need a handicap to play in any club competition.

To obtain a handicap you must return three scorecards that have been marked by another member.

Trentham Golf Club is a member of GolfLink, the national handicapping system. A GolfLink number can be used to register your handicap at any club in Australia.

## MISCORE

You can use the Miscore App for scoring at Trentham. It is easy to use and has many other useful features, such as a GPS and a leaderboard. When your round is completed your score can be submitted directly to the club competition.

Download the App from the Apple Store or Google Play Store. There is a subscription of \$19.49 per year inc. GST.

## COMPETITIONS and EVENTS

Trentham Golf Club has a full and varied program of events during the year. You are welcome to join in. Major events include the club championships, single and doubles knockout (match play). There are also trophies based on events during the year, plus a medal event every month.

## EVENTS PROCEDURE

Trentham uses timesheets and a competition credits system that is cashless and offers a wide number of starting times. The MiClub competition system is the basis for the timesheets. You will receive a log-in when you join. To buy credits for club competitions, go to Online Entry > "Buy member competition credits" on the club website.

Some competitions during the year, such as the annual tournament, require prior registration and an entry fee.

## RULES OF GOLF

Like all golf clubs, Trentham Golf Club plays according to the rules established by the Royal & Ancient Golf Club of St Andrews and the United States Golf Association.

The Rules of Golf are available online. The club realises that it may take time for new golfers to become familiar with all the rules. Feel free to ask other members or officials about any rules that you may not understand.

## DRESS CODE

The dress rules at Trentham Golf Club are generally relaxed, however, a few standards do apply.

- Jeans and shorts must be of an acceptable dress standard i.e. must not be dirty, torn or tattered.
- Men's shirts worn during competitions must have collars and sleeves
- Singlets, football jumpers, thongs or similar are not acceptable on the course or in the clubhouse.
- Spikes and waterproof clothing must not be worn in the clubhouse
- Footwear worn during competition must not be of a type that may damage the course, especially the greens.

## ETIQUETTE

Good etiquette is meant to maximise the safety of golfers, keep play moving at a reasonable pace and to keep the course in good condition.

The club follows the "ready golf" principles to maintain pace of play and keep groups moving. There is no need for strict "furthest from the hole" etiquette.

The general rule on the course is that you should treat others as you would like to be treated. This includes not distracting others who are about to play a shot, or unduly causing delay to your fellow players and any following groups.

## SOCIAL EVENTS

To raise money for the club, a Social Club provides some activities and entertainment for members including dinners, social evenings and a spinning wheel raffle after events.

During the daylight saving period, the Social Club also organises a Friday evening twilight Stableford competition over 10 holes, tee-off is at 4.30 pm.

## SMOKE FREE AREA

The whole of the clubhouse interior has been designated a smoke-free area.
